

WE are **YOUR** community health connection!

Primary Care Connect provides **FREE** Drug and Alcohol Counselling along with a range of other programs designed to support you, your family or loved one.

Our Drug and Alcohol programs provide support, education, information and therapeutic counselling to support people to address their alcohol and/or drug issues.

Our Drug and Alcohol programs are available via our Shepparton office, and by Outreach in: Cobram, Yarrawonga, Numurkah and Nathalia.

Primary Care Connect Drug and Alcohol Services Include:

Counselling

Family Drug Support

Women's Supported Accommodation

Youth Support

Pharmacotherapy Area Based Network

How to access PCC Drug and Alcohol programs:
