

# Family Violence Program

PRIMARY CARE  
**CONNECT**

The Family Violence Program supports those who are currently experiencing family violence or have experienced family violence in the past. Family Violence encompasses a range of abusive behaviours such as:

- Physical assault
- Emotional and psychological abuse
- Coercion and threats
- Intimidation and isolation
- Financial abuse
- Spiritual abuse

The Family Violence Program is free and confidential and offers education, short term support, advocacy, referral and court support for intervention orders or family court matters. The program offers outreach services to Tatura, Numurkah, Cobram, Euroa and Yarrawonga.

To access the Family Violence Program please contact Primary Care Connect on (03) 5823 3200 or visit our website at [www.primarycareconnect.com.au](http://www.primarycareconnect.com.au).
